

Winter 2012

Archdale

ACA P.O. Box 41543 Charleston SC 29423-1543

New Year, New Neighbors, New District, New Board..

all in our Newsletter!

It's a New Year for our Community and with all that's happened up to this point, we are very excited about the upcoming year. We would like to extend a warm welcome to all of you that moved to the Archdale Community in 2011 and encourage you to join our Civic Association General Meetings held quarterly at the Ashley River Fire Department. This is Your opportunity to bring concerns, suggestions and opportunities before the Board and Association Membership for consideration. Be on the look out for our Boulevard Spring Clean Event! We CAN work together to help our community thrive and provide a safe & beautiful neighborhood for our families.

We're in a New Voting District!

As a result of the 2010 Census, Dorchester County was required to realign Voting Districts and Representatives. Archdale has been "Redistricted" from District 4 represented by Councilman Larry Hargett [King's Grant] to District 3 represented by Councilman George Bailey [St. George]. Councilman Bailey's mailing address is PO Box 633, St. George, SC 29477. His telephone number is (843) 563-2314 and his Email address is: gbailey@dorchestercounty.net. Learn more about our new Councilman at, www.dorchestercounty.net/index.aspx?page=618

Savings Opportunity

New Neighborhood street maps provided by the Ashley River Fire Department have been posted on our website at: <http://www.myarchdale.com/maps/index.html>. Everyone is encouraged to review them with attention to the heavy black dot nearest their address. These "dots" show the nearest fire hydrant. Home Owner's & Renter's Insurance costs can vary by distance to the nearest hydrant, a quick call to your Insurance Agent to ensure that you're receiving the best possible rate may be worthwhile!

TAKE A BITE OUT OF
CRIME

Take a Bite... Working in close liaison with the Dorchester County Sheriff's Department, Archdale enjoys the benefits of an aggressive *Crime Watch Program* which includes a tracking and reporting system. When an incident or "pocket" of problems occur such as vandalism, vehicle break-ins, burglaries, etc., an alert is sent to all of our residents. We also relay Amber Alerts, Fire Department Advisories and Missing Person Notices.

If you are not receiving these Alerts, drop an Email to: crimewatch@myarchdale.com to be added to our distribution list. Please, include your name, street address and telephone number.

President's Corner

2011 was a banner year for Board Accomplishments. Most noticeably, the electrical repairs at the entrance allowing for Christmas lights, but behind the scenes; the flooding in Archdale Landing was resolved, new drainage piping was installed under Richfield Dr., new Crime Watch Signs installed, traffic signs washed, neighborhood signs painted, street lighting repaired, website improvements, and the list goes on. 2012 will be equally rewarding and I'll keep you informed as we progress. A prosperous 2012 to all!

Norman N McDonald
