**Minutes for 23-Sep-10 General Meeting**

- 1) The meeting was called to order by President, Eric Zink at 7:05 with 6 Board members in attendance. Board members present: Eric, Norman, Joe, Jackie, Jennifer and Bob & no others.
- 2) The minutes of the June General meeting were read by Joe Wagner. Approved as read and amended by majority of attendees.
- 3) Jennifer presented the Treasurer's Report (see attached sheet). Jennifer distributed hard copies of the report. Jennifer reported that to date, ACA has collected approximately 62% of "assessment". Jennifer reviewed the report. She stated that 243 properties were in arrears at this time. There was a question regarding polling the property owners that are in arrears as to "why they are in arrears?". It was briefly discussed and a consensus was that it would not be wise to ask that question for many different reasons. The report was accepted by majority of attendees.
- 4) Business
  - a) Norman reviewed the status of the "Nominating Committee".
  - b) It was suggested that new version of the "Newsletter" be posted on the website. Bob would get that ready.
